

# **CAMPINGS and BIVOUACS on the Tour du Mont-Blanc**

## **REGULATION OF THE SWISS COMMUNES**

\*

Position of the municipality of ORSIERES

"The municipality of Orsières does not allow wild camping or bivouac on its territory and prays campers to go to the official campsites, the campsite Glaciers la Fouly, Rocailles campground in Champex-Lac and the Val d'Arpette campsite. "

\*

Position of the commune of BOVERNIER

"According to our police regulations, camping is allowed only in the places designated by the communal authority"

In the absence of an authorized campsite, the municipal authority of Bovernier authorizes the bivouac of short duration (1 night), without installation of camp, outside the localities, the natural reserves and zones of protection.

Camping or caravanning is prohibited or subject to municipal authorization.

He also reminds that the camp on private land remains at the pleasure of its owner.
